

## Our Commitment

### ~ To be “A Company Resolving Social Issues through Co-Creation” ~

Through the exercise of our corporate philosophy of “continue evolving to better aid our customers” and “equate the development of our people with the development of our company,” MARUI GROUP strives to fulfill its mission of contributing to the creation of a flourishing and inclusive society that offers happiness to all.

In short, by merging finance and retailing, the Company aspires to provide economic enrichment as well as emotional enrichment in the form of happiness and to create a society in which everyone is able to obtain this happiness.

However, this important mission cannot be carried out by the Company alone. Accordingly, an approach toward fulfilling this mission has been adopted entailing co-creation with customers, investors, communities and society, business partners, and future generations.

By engaging in such co-creation management with stakeholders, MARUI GROUP works to create harmony between the interests and happiness of all of its stakeholders while generating earnings and contributing to the resolution of social issues through its business.
