***VISION BOOK 2050* Receives Silver Award in 2019 International ARC Awards, the World's Largest Annual Report Competition**

MARUI GROUP announces that its *VISION BOOK 2050* (English-language edition) won a Silver award in the Sustainability Report: Asia, Mid-East & Pacific section of the Specialized A.R. category of the 2019 International ARC Awards, the world's largest annual report competition.

■ **International ARC Awards**

The International ARC Awards are a yearly annual report competition held by U.S. independent evaluation institution MerComm, Inc. Each year, numerous applications are received from companies, nongovernmental organizations, government agencies, and other parties from around the world. Uninfluenced by advertisers or sponsors, reports are submitted to impartial evaluations by judges selected from a wide range of fields. Judging criteria include financial information as well as the president's letter, vision, and other management information and visual aspects such as report concept and design.

■ ***VISION BOOK 2050***

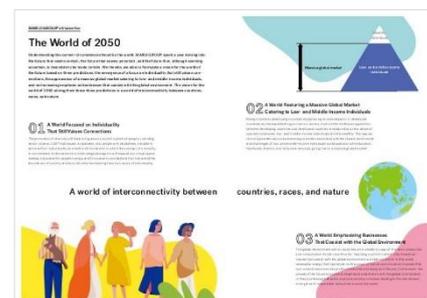

VISION BOOK 2050 provides explanations on MARUI GROUP's 2050 Vision and the initiatives in three businesses founded on co-creation and in sustainability governance for accomplishing this vision. This report also includes a roadmap MARUI GROUP's quest to help build a **flourishing and inclusive society that offers happiness to all.**

for

《MARUI GROUP's 2050 Vision》

VISION BOOK 2050 contains information on the concept of **inclusion** and the vision for the world of 2050 that formed the basis for MARUI GROUP's 2050 Vision of **“harnessing the power of business to build a world that transcends dichotomies.”**

《Three Businesses Founded on Co-Creation》

MARUI GROUP has identified three businesses founded on co-creation that will aid it in accomplishing its vision:

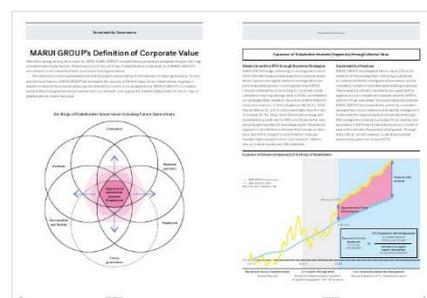

- **Inter-generational businesses**
- **Co-creative businesses**
- **Financial inclusion**

VISION BOOK 2050 details the long-term targets of each business and its initiatives for realizing its vision.

《Sustainability Governance》

MARUI GROUP realizes that co-creation with future generations is vital in its quest to help build a sustainable society and global environment through its business. For this reason, future generations have been included alongside the five groups of stakeholders the Company has previously emphasized. *VISION BOOK 2050* explains the new value creation initiatives being advanced to promote harmony and expand the intersections between the interests (happiness) of **the now six groups of stakeholders**.
